

A FRESH NEW LOOK

Finally we are ready to reveal our new and improved Durapower website!

When it comes to premium power protection and uninterruptible power supply, the name synonymous with reliability and value for money is Durapower. At Durapower, we aim to be the leading local manufacturer of Uninterruptable Power Supplies and Static Switches, presenting premium power protection, to ensure our clients peace of mind.

What are you waiting for? Visit our NEW website

1

USER FRIENDLY

We have spent a lot of time creating a friendly platform that is easy to navigate and is compatible across all platforms. No more problems with inaccessible pages on your smartphone and tablet devices. Our website will offer the same structure and performance no matter your device.

2

INFORMATIVE

All relevant Technical specifications have been loaded allowing information at the click of a button. Be sure to visit our Gallery to experience the superior quality of all Durapower products.

3

CONTACT US

At Durapower we are proud of our national footprint and thought it may be helpful to share contact details of our experienced distributors who are on standby to assist with any queries.
